Assessment Findings | SMART Goals.

ASSESSMENT: CAS REVIEW (YEAR TWO) DUE DATE: JUNE 30TH

**The Goal:** We must document the significance, value, and contributions that students make to learning, critical thinking, and

answer by way of evidence:

- Do the spaces we create for students impact them in ways that contribute to their success?
- What are students learning (and does the learning align with learning outcomes, division competencies and the institution mission/strategic objectives?)

There are four deliverables to complete
