COMMUNITY COLLEGE

The decision to attend college marks the beginning of a journey of personal growth, self-discovery and professional development that will have a positive impact on you and your family's lives for years to come. At Bristol Community College, we understand that no two paths are the same. We strive to provide services and support that meet your unique needs and circumstances.

The student experience statement below was created in collaboration with the college community and serves as a reflection of thoughts from our existing student body and staff. Our focus is on you, your success, your future, your educational journey. This is our commitment to you:

Bristol Community College strives to provide a relevant and fulfilling education characterized by a motivating student experience that will include:

- Academic programs and learning experiences that promote personal growth and prepare our diverse student body for the future, with clear pathways to successful completion, transfer and employment.
- Accessible and personalized supports designed to empower our students in meeting their academic and non academic needs.
- An engaging environment which creates a sense of belonging developed through meaningful connections with faculty, staff and other students.

Bristol Community College faculty, staff and administrators meet the needs of a diverse student body.

- Innovative technology and exceptional service that enhances communication and enables student success.
