The Commonwealth of Massachusetts requires certain students to submit proof of immunizations to Bristol, before the start of classes but absolutely no later than 30 days after the start of classes.

Immunization requirements apply to the following students:

- Full-time students, under 30 years of age, who are taking at

Education & Health Science students (Nursing, Dental, OTA, Medical Assisting, Phlebotomy, Clinical Lab Science, Early Childhood Education): Someone from your program will contact you with instructions on where to submit your immunization records as well as required paperwork for background checks and additional medical requirements for your program. Please watch your Bristol email for more information. Be sure to include your student ID number and program of study.

All other students: Submit your immunization records via a secure form available at BristolCC.edu/healthservices. You may also drop them off, in person, to Student Wellness in E104, Fall River campus. Be sure to include your **student ID** number and **program of study**.

Recommended Vaccines: The seasonal flu vaccine is strongly recommended to reduce transmission of communicable disease.
